Awarding sustainable and innovative organisations benefiting African youth

Entrepreneurial • Educational • Sustainable

Organisations using entrepreneurship to educate and empower young people in Africa can win \$15,000 through the 2018 Pan-African Awards for Entrepreneurship in Education!

"Training youth in entrepreneurship, financial literacy, and other small business skills is crucial to making a lasting impact on their potential earnings and stability. The Pan-African Awards are a fabulous opportunity to expand your organization's network, gain additional funding, and receive some well deserved professional recognition!"
